

Kendra Eboigbodin

Best-Selling Author | STEM Diversity Expert | Microschool Founder

Kendra Eboigbodin, M.Ed., is an author, STEM diversity advocate, and founder of Victory Creative Learning LLC, where she also established Victory Private School, a hands-on microschool for PreK-5 students and homeschoolers. With over 20 years of experience as a special education teacher, school counselor, and special populations administrator, Kendra has dedicated her career to improving the education and development of young learners.

Victory Creative Learning's mission is to provide a culturally relevant and inclusive learning experience that prioritizes individual needs and abilities through multi-sensory education that challenges and inspires students to reach their full potential.

Praises for Kendra

I attended the Purpose and Passion Expo and it exceeded all of my expectations. Kendra's message was powerful.

Queen lawia, Purpose and Passion

Special thanks to Kendra for using her gift to teach our young ladies how they could live in freedom through learning their self-worth...

Tiffany M. Founder, Full on Faith

I am so blessed by what you said. You are amazing and phenomenal!

Jacqueline Turnbo, CEO - Vision Concepts

Speaking Topics

Empowering Resilience from Childhood Trauma through Restorative Relationships

Enhance intervention strategies to reverse negative social, mental, and emotional impacts of childhood trauma and abuse.

Care Centered Educator

Encourage success in at-risk youth by establishing clear expectations in an inclusive culture while maintaining dignity and promoting self-regulation.

SOS! Modeling Mental and Emotional Wellbeing for Service Providers

Adopt a balanced lifestyle while serving by identifying chronic stress symptoms, creating culturally responsive environments, and implementing emotional wellness tools.
